Moulding

Alexandria East
PRODUCT
CATALOGUE

COMPANY

Alexandria Moulding is a leading moulding manufacturer and distributor of wood and wood composite mouldings, providing quality products throughout North America.

Alexandria Moulding has five domestic Mega Centres that look after its manufacturing and distribution requirements:

- Alexandria East
(Canadian East Coast Manufacturing & Distribution)
- Alexandria West
(Western Canada & U.S. Pacific Northwest Manufacturing & Distribution)
- Alexandria Mid-West
(American Mid-West U.S. Manufacturing & Distribution)
- Alexandria North East
(American North Eastern U.S. Distribution)
- Royal Woodworking (Hardwood Manufacturing)

Alexandria Moulding has grown into Canada's largest wood moulding manufacturer, and is also North America's leading Manufacturer-Direct retail marketer and distributor of mouldings and related products. Our various production facilities are home to 4 kiln dryers, 16 high speed moulders, and 7 priming lines on a total of 75.5 acres of land. Our commitment is to serve our customers flexibly with cost-effective, quality mouldings, on time with a 100% fill rate. We continuously strive to be the best in class at developing and bringing to market value-add products and services.

ROYAL® Building Products

**Royal® Building Products,
A new Alexandria Moulding partner**

TRANSFORM WITH EVERY DETAIL.

Royal® Building Products offers a seriously complete line of 100% cellular PVC trim, moulding and siding accessories. Which means you can always rely on us for everything from show-stealing window and door surrounds to dormer and garage door fascia. When it comes to building homes that make statements: Everything is important.

READY TO TRIM? SO IS ROYAL.

We create our 100% cellular PVC trim and moulding products to last while requiring little-to-no maintenance. But that's just a starting point. We also engineer our trim to convey curb appeal in as many design languages as possible, subtly and precisely raising the profile of homes from Cape Cod to Victorian to Craftsman. From deep and varied trim product lines that blend beautifully with every material and every project, to our education efforts and sustainable practices, we have what it takes to win over architects and other building pros, along with homeowners who demand beauty, versatility and longevity.

ROYAL WOODWORKING

by Alexandria

Royal Woodworking has a vast selection of upscale products including hardwood mouldings, stair parts, custom millwork and curves. Ask your rep for your copy of the catalogue.

CUSTOM CURVES

Hardwood Mouldings
 Custom Millwork
 Hardwood Boards
 Stair Components

Available Species

Available Shapes

Dimensions Required

Half Circle
(or Full Circle)

X (Diameter)
 Y (Radius)
 Reveal: included or not
 Note: X should be 2 times Y
 Otherwise you may not have
 a half circle or full circle

Quarter Circle

X (Radius)
 Reveal: included or not
 Note: X should be the same
 both places otherwise you may
 not have a quarter circle

Eyebrow

X (Width)
 Y (Height)
 Reveal: included or not

Ellipse or Oval

X (Width)
 Template Required
 Reveal: included or not

Note: The reveal is the amount of "jamb" that can be seen once the moulding is in place. A standard reveal is 3/16".

CROWN PROJECTIONS

The following table displays all crown profiles offered in the product catalogue.

The table indicates the swing angle, the wall coverage, and the ceiling coverage of the crown.

As wall/ceiling angles and installation angles may vary, these values are to be used as approximations only.

A commitment to excellence, innovation and continuous improvement has been infused into our 1300 plus dedicated, service oriented, quality conscious employees working to provide our customers with not only mouldings and related millwork as a product, but interior design solutions as well. Alexandria Moulding ships an average of 160 truck loads of finished products throughout North America each week and strives for a 100% fill rate. As an experienced importer and exporter, Alexandria Moulding also exports container loads to Europe, Asia, and South America.
